

Caneafem 2 Extrafolate-S + DHA Kapseln

Caneafem 2 Extrafolate-S + DHA capsules

Product description:

Food supplement with folic acid, B-Vitamins, vitamin C, D and DHA.
Caneafem 2 Extrafolate-S + DHA is intended for women from the 13th week of pregnancy onwards and during lactation.

Health claims:

Folic acid contributes to normal blood formation and has a role in process of cell division.
In addition, folic acid contributes to maternal tissue growth (e.g. placenta) during pregnancy.
DHA contributes to maintenance of normal brain function and normal vision. The positive effect is achieved with a daily intake of 250 mg DHA.

Net quantity:

60 capsules = 34 g
