Vitamin B6	4,0 mg	128 mg
Folic acid	800 µg	25,6 mg
Vitamin B12	8,0 µg	256 µg

**Recommended daily consumption:**

Two times a day (in the morning and evening) take 2 capsule unchewed with sufficient liquid.

**Warning notice:**

Cordivasin® is not a complete foodstuff, but a supplementary balanced diet, which should be used as part of a diet plan and under medical supervision.

Only for adults according to the recommended use and medical advice.

L-arginine can have similar effects and thus intensify the effects of drugs for the treatment of erectile dysfunction, provided that these are NO-donors such as Sildenafil (Viagra®), Vardenafil (Levitra®), Tadalafil (Cialis®) or nitrates (e.g. amylnitrit, as is the case with l-arginine).

**Storage conditions:**

The product should be stored at room temperature, in a dry place, always locked and out of the reach of young children.
